

## **DAY I – 16 Settembre 2022**

|             |   |
|-------------|---|
| 1:00 - 2:00 | <i>Lecture:</i> Re-View Phase I Biodynamic Principles                           |
| 2:00 - 2:30 | Discussions in small groups   |
| 2:30 - 3:30 | <i>Lecture:</i> The Fluid Body: Fluid Neutrals and Balanced Fluid Tension (BFT) |
| 3:30 - 4:00 | Discussions in small groups   |
| 3:00 - 5:00 | <i>Practical:</i> Sacral Treatment Using Fluid Neutral, Balanced Fluid Tension  |

## **DAY II - 17 Settembre 2022**

|               |  |
|---------------|--|
| 8:30 - 9:30   | <i>Lecture:</i> Q&A and Re-View Principles of The Fluid Neutral and BFT<br>Contemplation of Thoracic Respiration |
| 9:30 - 10:00  | <i>Lecture:</i> Zones and Rates  |
| 10:00 - 10:30 | Discussions in small groups  |
| 10:30 - 11:30 | <i>Lecture:</i> Fluctuations of The Fluid Body: Whole, Lateral, and Longitudinal                                 |
| 11:30 - 12:00 | Discussions in small groups  |
| 12:00 - 1:30  | <i>Practical:</i> Observation of The Longitudinal Fluctuation: Diagnostics                                       |

## **DAY III - 18 Settembre 2022**

|               |   |
|---------------|---|
| 8:30 - 9:30   | <i>Lecture:</i> Q&A and Re-View Fluctuations of The Fluid Body<br>Contemplation of Fire within the Fluids |
| 9:30 - 10:30  | <i>Lecture:</i> Resuscitation of The Fluid Fluctuations: Over-View and CV4                                |
| 10:30 - 11:00 | Discussions in small groups   |
| 11:00 - 11:30 | <i>Lecture:</i> Resuscitation of The Fluid Fluctuations: EV4  |
| 11:30 - 12:30 | <i>Practical:</i> Resuscitation - CV4 / EV4   |
| 12:30 - 1:00  | Slides – The Language of the Fluid Body   |
| 1:00 - 2:00   | LUNCH   |
| 2:00 - 3:00   | <i>Lecture:</i> Protoplasm Video and Discussion of Fluid Fields and Rates                                 |
| 3:00 - 4:00   | <i>Lecture:</i> Intro to Automatic Shifting: Fluid Dynamics and Diagnostics                               |
| 4:00 - 4:30   | Discussions in small groups   |
| 4:30 - 5:30   | <i>Practical:</i> Treatment of The Upper Extremity Using Fluid Principles                                 |

## **DAY IV – 19 Settembre 2022**

|               |  |
|---------------|--|
| 8:30 - 9:00   | <i>Lecture:</i> Q&A and Re-View Resuscitation and Automatic Shifting |
| 9:00 - 10:00  | <i>Lecture:</i> The “Other Mind” and Fluid Language                  |
| 10:00 - 10:30 | Discussions in small groups  |
| 10:30 - 11:00 | <i>Lecture:</i> Fulcrums and Still Points                            |
| 11:00 - 12:00 | <i>Lecture:</i> Automatic Shifting                                   |
| 12:00 - 12:30 | Discussions in small groups  |
| 12:30 - 1:30  | <i>Practical:</i> Automatic Shifting in The Whole Fluid Body         |

**INSTRUCTOR:** DONALD V. HANKINSON, DO      **BOARD CERTIFICATION:** ABSPOMM - Cert No. 0205  
: AOBFP - Cert No. 7173
